Dictionaries - any language: <http://www.dictionary.com/> Recommended by Singapore American School French teacher, Christina Popowski:

www.casadejoanna.com - a very comprehensive site for teachers of French. It contains French language websites to explore including thematically organized authentic links; links to French language search engines and portals/web guides; rich art links in English and French; web-based activities and resources on technology implementation and access to professional organizations and journals, software information and consulting services.

<http://www.ph-ludwigsburg.de/html/2b-frnz-s-01/overmann/baf4> - ready to use lesson plans for teachers

<http://www.umit.maine.edu/class/teachlinks/mlclinks/frenchlinks.html> - useful links for French teachers

<http://www.utm.edu/departments/french/french.html> - Tennessee Bob's Famous French links

http://espacefrancophone.org/home_en.html - download free videos in French

<http://www.momes.net>

Two children's sites for French speakers. Good for current events or cultural activities.

Two sites for students to read several episodes of a story online and then perform interactivities based on the texts:

http://www.ur.se/ur/sok/frameset_web.html?/lavaliserouge/index.html - suitable for beginner and intermediate levels

http://www.ur.se/ur/sok/frameset_web.html?/chloe/index.html - suitable for intermediate to advanced levels

Sites for Spanish

www.josefeliciano.com – website of a blind Puerto Rican artist who has been dubbed the “greatest living guitarist”. There is also a video in Spanish about his life that has proven popular with adolescents.

www.casadejoanna.com - a very comprehensive site for teachers of Spanish.

It contains Spanish language websites to explore including thematically organized authentic links; links to Spanish language search engines and portals/web guides; rich art links in English and Spanish; web-based activities and resources on technology implementation and access to professional organizations and journals, software information and consulting services.

Sites for students of Spanish to work independently on grammar:

<http://conjuguemos.com/home/index.html> - to log into this you will need to apply for a school ID #. This ID# is needed to access the activities but as a teacher you create your own password, as do your students if/when they log on. Students can e-mail you the results of whatever they practice on this site.
