

Pre-Workshop Questionnaire
Teachers Working with English Language Learners

Pre-Workshop Needs Assessment

In an effort to meet your needs and provide information that will be of interest and beneficial to you, please answer the following questions.

1. What challenges/opportunities do you face in working with English Language Learners?
2. What are your goals/priorities in working with English Language Learners?
3. Identify those areas with which you need assistance, guidance, and additional resources for working with English Language Learners.
4. Do you prefer whole group, small group, or paired activities and discussions?

<p>5. What do you hope to gain from a workshop designed to meet your needs?</p>
--

Background Information
