Tally		Points	Description
N	x	=	
			Phrases- a group of words that do not have a noun and a verb
			Words- a group of letters – spelling doesn't count
		xxx	xxx Word on topic
		xxx	xxx Parts of a paragraph
			Sentences- groups of words that have a noun and a verb and end punctuation
			Spelling accuracy Number correct divided by total number of words
			Correct letter Sequence – two letters that go together in the correct order
			Correct Word Sequence
		xxxxxx	
		xxxxxx	
	1		Each phrase on the topic - (2 or more words that logically go together but do not have a subject and verb and end punctuation)
	3		For a sentence that introduces the idea of the paragraph
	2		Each sentence- that contains a detail about the topic
	3		For a sentence that concludes the idea of the paragraph
	1		For each word on topic that is spelled conventionally
	1		For each end punctuation properly used
	<b>Total</b>		Add numbers below the xxxxxx
