ANXIOUS AROUND PEOPLE?

Are you bothered by …

- Anxious feelings or shyness in presence of other people?
- Fear of public speaking?
- Nervousness when talking or meeting with new people?
- Heart palpitations, upset stomach, or blushing when in social situations?

If your answer to any of these questions is YES, you may be suffering from social anxiety difficulties. If you are 18 years of age or older, contact us to learn if you are eligible for an assessment and our ongoing studies. Financial compensation is available for participation.

For more information contact Bill at wbreen@gmu.edu or Dr. Todd Kashdan at 703-993-4753, Department of Psychology, George Mason University
