## Scholarship Golf Classic 2004

South Riding  
Golfers' Club

South Riding,  
Virginia

June 7, 2004

## Dear Friends:

Please accept my invitation to join members and friends of George Mason University's Diversity Advisory Board (DAB) for a 1:30 P.M. Shotgun Start to its annual Scholarship Golf Classic on Monday, June 7, 2004, at South Riding Golfers Club, South Riding, Virginia. The Scholarship Golf Classic is a fundraising event, whose net proceeds are applied towards a 1 million dollar scholarship endowment fund, operations and support aimed at increasing access to George Mason University for people of diverse backgrounds.

The Scholarship Golf Classic's proceeds helped to continue funding scholarships for five deserving students in addition to contributing to the endowment fund, which has over \$600,000 in gifts and pledges.

The enhancement of George Mason's capability to offer more scholarships, and higher-funded scholarships, has helped to increase new student matriculants from the upper percentile of their high school graduation classes. This will result in an increased number of diverse George Mason "scholar graduates" ready for hire by Northern Virginia corporations.

That is the business side of the Scholarship Golf Classic. There is also plenty of networking and fun, too! There are typically over 50 corporations represented at the Classic. Given the "Best Ball" scramble format, the classic is competitive for the serious handicappers and playground putters alike.

We look forward to your joining us on June 7 to make this event a memorable success. Hope to see you there!

Under this format, each player drives from the tee box. The team captain determines the best ball position, and all players hit from this position. Best ball play continues onto the green where each player has an opportunity to sink that long putt.
