

Group Name:

Part 1 (Instructions Set): 20 points

	Needs Major Revision 0-3 points	Adequate 4-8 points	Exceptional 9-10 points	Your Score
Format and Design	Format and design are confusing or make the instructions difficult to follow	Format and design are inconsistent or distracting	Formatting and design are used effectively to aid meaning and organize information for users	
Completion	Sections of the instructions are missing	Some, but not all, sections under Steps 1 and 4 are present	Inventory, materials, step-by-step instructions, and design requirements are present and accurate	

Part 2 (Instructions Test): 20 points

	Needs Major Revision 0-3 points	Adequate 4-8 points	Exceptional 9-10 points	Your Score
Accuracy	Structures are significantly dissimilar, with more than 16 differences between the original and the new structures	Structures are similar but 6 to 15 errors in design or dimension occur	Structure produced is a near duplicate (fewer than 5 discrepancies) of the original in design and dimension	
Difficulty	User could not complete construction with instructions provided	User experienced some difficulties in following the instructions and had to ask for minor clarification or help	User was able to follow instructions with ease and complete the building quickly with few requested revisions	

Part 3 (User Response): 10 points

	Needs Major Revision 0-3 points	Adequate 4-8 points	Exceptional 9-10 points	Your Score
Lessons Learned	Group is dismissive of user concerns or does not identify adequate corrections	Group addresses some, but not all, of the feedback from the user	Group identifies issues experienced and offers useful, thoughtful revisions to correct problems
