

Weekly Status Report

Dates: October 8-October 14

Team Members: Afua Gyasi, , Kim Monti, Matthew Mariani, Rahel Woldehanna, Kim Amin

Our Current Situation

We began our Needs Analysis by determining some questions that we would like to have answered regarding our three recommendations:

- Take advantage of emerging technologies to harness collective intelligence of T/TAC community by analyzing communication channels
- Customize T/TAC Online content for T/TAC Online users
- Create processes for evaluating the effectiveness of T/TAC Online

The team met with:

- Marci Kinas-SD Consortium Coordinator
- Shuangbao Wang
- Anna Eumenova

The meeting was to get a better understanding of the conferencing/collaboration tools that T/TAC currently has and to understanding the pros and cons of making these tools available through T/TAC Online.

Accomplishments

- Took team picture
- Established draft version of team mission, vision, and goals. Will revisit to finalize after the needs analysis.

Action Items

- Setting up a meeting with Mary Wilds for Wednesday or Thursday of this week
